EXPLANATION OF INCREASE
OVER APPROVED 1954 BUDGET

It is anticipated that certain developments within the Inspector General's Office and the Office of the Inspection and Review Staff, Deputy Director (Plans), will place additional requirements on this Office. Since those offices have not firmed up their views, they are unable to determine at this time the actual requirements in terms of personnel which this Office will be called upon to supply. As a minimum estimate, it is our opinion that services of two qualified lawyers will be required in addition to travel expenses, which would be somewhat in excess of those generally required for attorneys of this Office.
